2011-2012 YOUTH WRESTLING REGISTRATION FORM

Mayo Wrestling Association offers a low-cost sporting opportunity for all boys and girls of varying physical sizes and abilities. Many of our earlier wrestlers are now competing at the high school varsity and junior varsity levels. Their experience with our program has made an impact on the increased success of our team. This is a Kindergarten to Grade 6 program and space is limited, to give the best possible instruction. This program is for future Mayo High School students. If your child will be attending another high school in the future we can help direct you to the appropriate people and program.
